BEST QUOTES ABOUT READING

“

"There is more treasure in books than in all the pirate's loot on Treasure Island."

Walt Disney

“

"The man who does not read good books is no better than the man who can't." Mark Twain

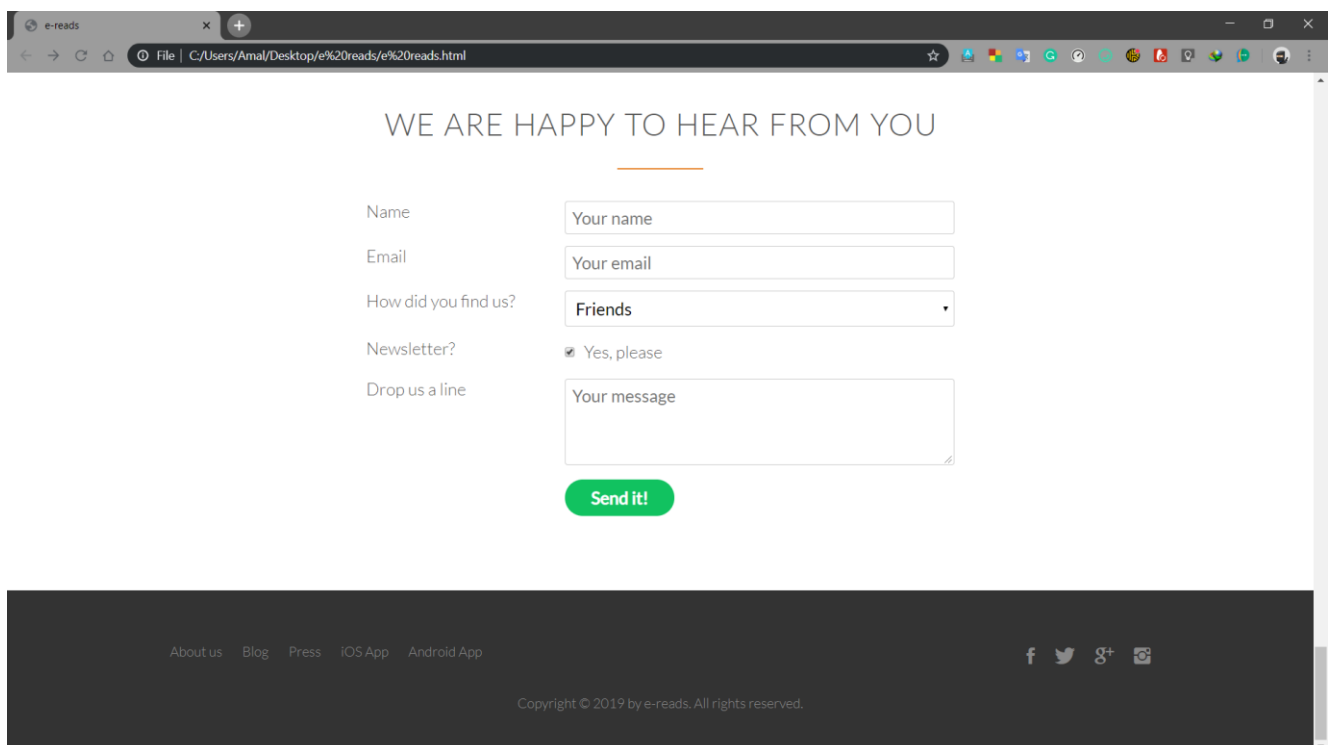

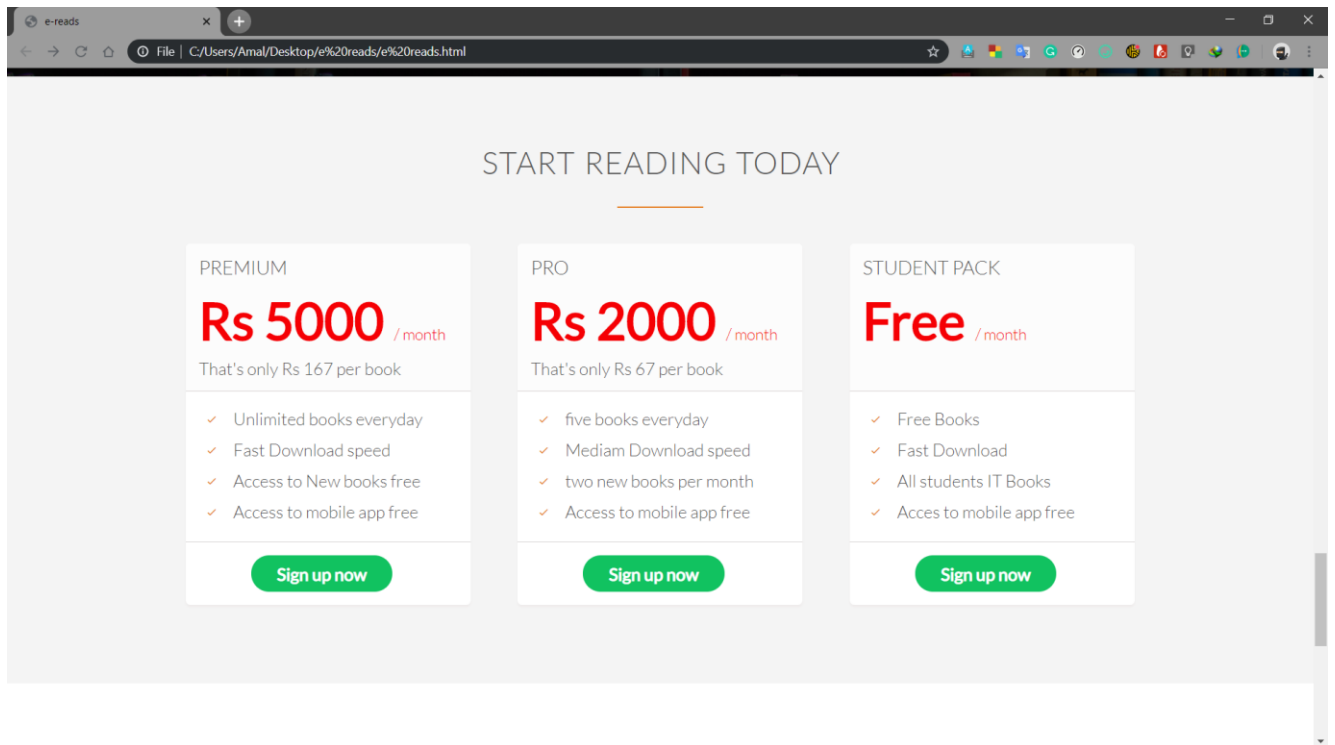

Mark Twain

“

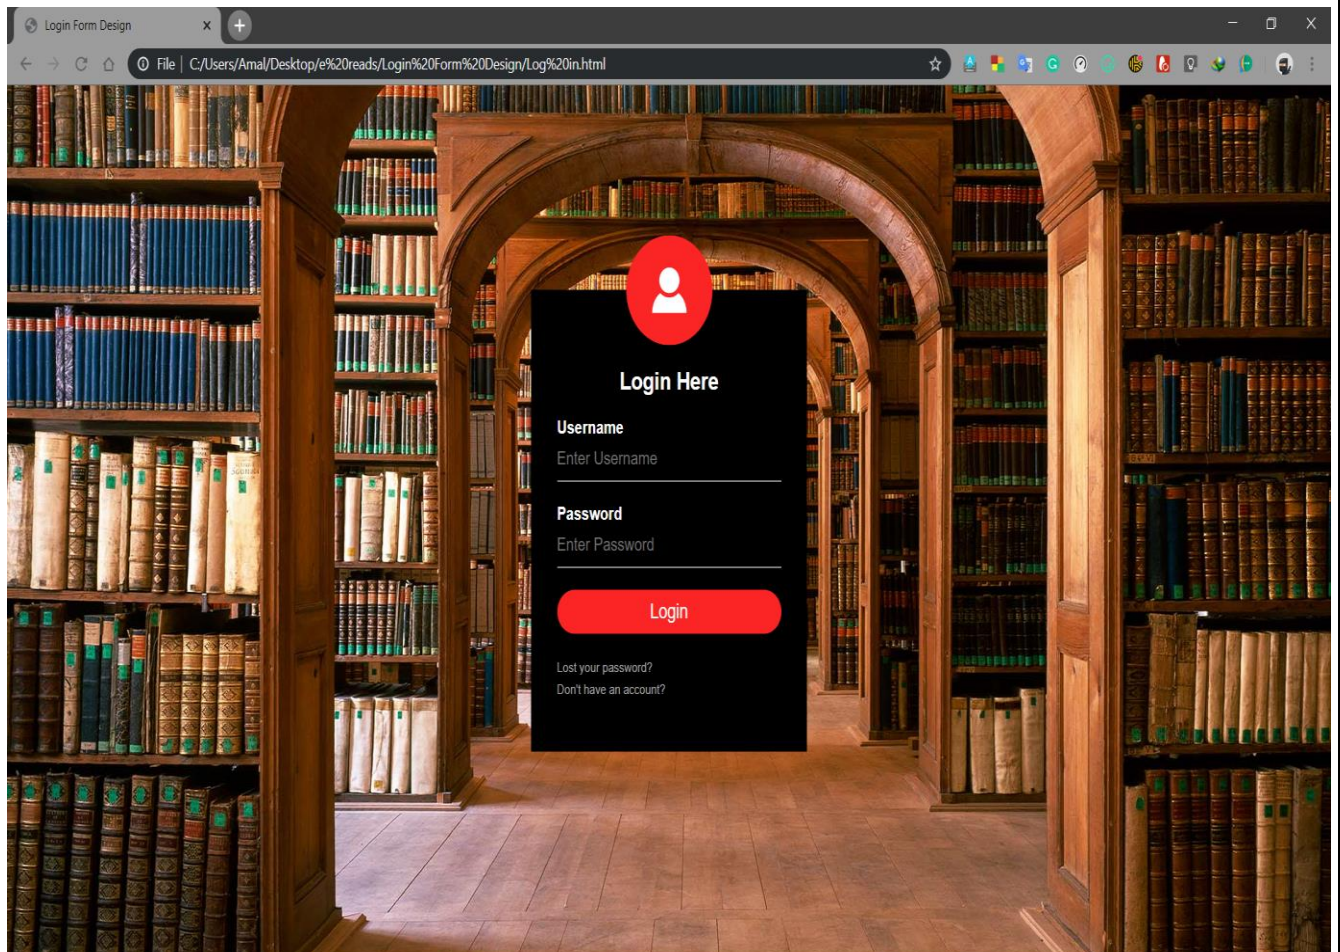

"I have a passion for teaching kids to become readers, to become comfortable with a book, not daunted. Books shouldn't be daunting, they should be funny, exciting and wonderful; and learning to be a reader gives a terrific advantage."
